Hello Church –

Peace be with you, in the Presence of the
Risen Christ. (John 20:19–31)

When Jesus appears before the disciples in
John 20:19–31, we encounter a powerful
movement from fear to faith, from doubt to confession, and from
isolation to mission. It is the evening of the resurrection – yet the
disciples are hiding behind locked doors, afraid. Into that fear, Jesus
comes – not with rebuke, but with, *"Peace be with you."*

This greeting is no ordinary word. In Lutheran understanding,
peace is not simply the absence of conflict but the presence of Christ Himself. The risen Lord
stands among His people bringing forgiveness, reconciliation, and life. He shows them His
hands and His side – visible signs that the crucified One is now alive. The same Jesus who
bore the cross now brings peace to troubled hearts.

Then comes a remarkable moment: Jesus breathes on them and says, *"Receive the Holy
Spirit."* This echoes God's breath of life in creation (Genesis 2:7), and signals a new creation.
The Church is born not from human effort, but from Christ's giving of the Spirit. Along with
this gift comes the authority to forgive sins – a central Lutheran conviction. Through Word

and Sacrament, Christ continues to bring His peace into the world.

Except Thomas is not there, and when the others tell him, *"We have seen the Lord,"* he struggles to believe. His doubt is honest and deeply human. A week later, Jesus meets Thomas where he is – inviting him to see and touch. Thomas responds with one of the clearest confessions in Scripture, *"My Lord and my God!"* Thomas reminds us that faith is not always immediate or easy. Yet Jesus does not reject him. Instead, He invites him into faith. And then Jesus speaks a word for us: *"Blessed are those who have not seen and yet have believed."* That is the Church today—gathered not by sight, but by the promise of Christ.

In a world filled with uncertainty, fear, and doubt, this passage speaks directly to us. Like the disciples, we may find ourselves behind "locked doors" – whether of anxiety, grief, or uncertainty. Yet Christ comes to us still. He comes through His Word, through Baptism, through Holy Communion, saying again and again, *"Peace be with you."* This peace is not something we create; it is something we receive. And having received it, we are sent – just as the disciples were, to share it with others.

John closes this passage by reminding us that these things are written *"so that you may believe that Jesus is the Christ... and that by believing you may have life in His name."* That is the heart of our faith and our hope: life in the name of the risen Lord.

Peace be with you.

Pastor Steve

President's Note

As we move beyond the joy and celebration of Easter, I find myself reflecting on what a truly special time it was for our church family. I was blessed to have the opportunity to play at the worship, and from that vantage point I was able to take in a powerful and moving sight.

We experienced one of the best attended Easter services in recent years. Looking out and seeing the sanctuary filled with so many familiar faces, along with new ones, was deeply meaningful. It was hard not to get emotional in that moment. There was a genuine sense of joy, reverence, and unity that filled the room. Without question, the Holy Spirit was present among us.

That experience is a beautiful reminder that church is more than a place we come to once a week. It is a community of believers walking together in faith. In those moments of worship, we are not just individuals, we are the body of Christ, joined together in praise, prayer, and purpose.

One of the greatest blessings we have at Spirit of Our Savior is this sense of community. We are meant to encourage one another, support one another, and grow together. The energy we felt on Easter is not meant to fade. It is something we carry forward into our daily lives and into our life together as a congregation.

If there is one thing Easter makes clear, it is that we are not meant to walk this faith journey alone. God has placed us in community for a reason. Whether it is through worship, serving, Bible study, or simple fellowship, each connection strengthens our faith and deepens our sense of belonging.

I encourage each of us to take a step toward deeper connection. Reach out to someone you do not know well. Get involved in an area of service. Spend time in conversation and fellowship. These small steps can lead to meaningful relationships and a stronger church family.

It is truly a privilege to serve as your congregation president. I am grateful for each of you and for the ways you contribute to the life of Spirit of Our Savior. May we continue to grow together in faith, in community, and in the joy of our risen Lord.

In Christ,
Rich Kamiyama

A Joyful Noise

May is a beautiful reminder of new life, fresh beginnings, and hearts full of gratitude. As the days grow brighter, so does our worship. This is a season to lift our voices with joy, to celebrate what God is doing, and to come together with thankful hearts.

This month, we continue singing songs that reflect joy, hope, and the goodness of God. Whether the melody is upbeat and energetic or steady and reflective, each song is an opportunity to praise with intention and celebrate the life we have in Him.

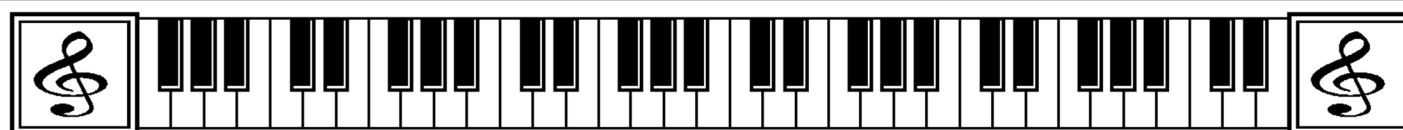

Mother's Day gives us a special moment to pause and reflect on gratitude. We think of the women who have nurtured, guided, encouraged, and loved us so well. Whether it is a mother, grandmother, mentor, or spiritual mother, their impact is a gift worth honoring. Gratitude is a form of worship, and this is a beautiful time to express it.

As we worship this month, consider how thankfulness shapes your praise. Maybe it is thanking God for the people who have poured into your life. Maybe it is recognizing His faithfulness in seasons both easy and difficult. Gratitude shifts our focus and reminds us of His constant presence and provision.

Worship is not only about the songs we sing, but the posture of our hearts. When we come with joy and thanksgiving, our praise becomes something deeper. It becomes a reflection of a life that sees God's goodness and responds.

Let this month be filled with joyful praise, grateful hearts, and a renewed awareness of all that God has done.

Make a joyful noise — and let it be rooted in gratitude.

Landscaping Project Update

We are pleased to announce the continuation of our landscaping project for Phase 2 and Phase 3. This project has been planned for quite some time, and it is now time to bring it to completion. Considerable effort has gone into developing a comprehensive plan, finalizing designs, securing financing, and selecting a contractor for the whole project. Phase 1 includes the area around the front entrance sign at the corner of Leroy and Sierra Way. Phase 2 includes the areas within the parking lot and phase 3 includes the frontage strip along Leroy Street between the two entrance driveways. Under the leadership of Gordon Gertner and Kurt Anderson, Phase 1 has been completed. Now we are ready for Phases 2 and 3, and we are excited to move forward with finishing the work.

Phases 2 and 3 of the project will feature several key improvements and it will basically follow the same theme as phase 1:

1. The three curbed areas located in the center triangle of the parking lot will have a palm(s) and plants, with DG (Decomposed Granite), gopher mesh and irrigation,
2. We will replace the grass in the triangle with new sod, gopher mesh and irrigation,
3. The two curbed areas at the entrances to the parking lot will have a palm and plants, with DG, gopher mesh and irrigation,
4. The strip frontage along Leroy Street between the entrance drives will have palms, plants and decomposed granite, gopher mesh and irrigation,
5. We will enhance the planter in front of the Friendship Center wall by removing and trimming some plants and planting some new plants with wood chip cover and irrigation, and
6. We will renovate the rose garden at the sanctuary entrance with new curbing and fresh roses, wood chip cover and irrigation.

These improvements represent the next step in our ongoing efforts to create a campus that is both attractive and welcoming for all who come to worship with us.

We are launching a donation campaign to support this project. You may contribute to the project as a whole, or you can choose to sponsor a specific tree or feature. Upon completion of the project, we will hold a dedication ceremony and recognize all donors. Please indicate the project name, "landscaping," on your check or

envelope when making a donation. You can also donate through Breeze by using the QR code and designate "Landscaping fund". We will hold the project for donations until the end of April; however, contributions will continue to be welcome throughout the year.

Our target start date for the project is May 1. It should take less than 4 weeks to complete.

STEWARDSHIP = TIME, TALENT, TREASURE, AND PRAYER

Stewardship Notes - May

In my last Newsletter article, I talked briefly about how we can offer our time, talents and treasures to God and asked, "When was the last time you really examined how you were using your three T's?"

Recently I have been reading more on stewardship at www.christianstewardshipnetwork.com. Here is a bit of what I learned.

Stewardship, Generosity and Giving are not synonymous although the terms are often used interchangeably. Stewardship is simply the act of being a steward. In biblical times, a steward was a person of high integrity who the master entrusted with his possessions expecting them to be managed according to the master's wishes. We need to remember that God created and still owns all that we have, that He is the master/owner, and we are His managers. As such, we are responsible for using God's possessions to please Him.

Generosity involves a willingness to sacrifice for the benefit of others, while giving is the act of abandoning something of value. In the article I'm reading, Pastor Dave states that giving can be done without being generous (he cites the Pharisees as an example) but says that you cannot be generous and not give. He goes on to state that the lack of giving is not a financial problem but a spiritual one. God is a giver. Our willingness to give reveals our relationship to God.

We should be proud of the fact that here at Spirit of Our Savior we approve a budget that donates 12% of our offerings to do God's work beyond the boundaries of our church property. For the first quarter of 2026 this amount equaled \$9,054.64. In addition, through other efforts we raise funds for specialized ministries and the Foundation regularly donates money as well. Stewardship also entails paying the Pastor and staff, keeping our property clean and beautiful, and offering programs to help us grow in our faith.

With that being said, we can do more to gain a biblical perspective of our role as stewards where a culture of generosity can flourish. This is the task I am undertaking and, hopefully, through reading this article each month you and I together can learn and create that culture.

In His Service,
Kurt Anderson

Our Outreach Ministry recently had the opportunity to serve students in our local community through a special “Test Prep Basket” donation drive for 4th grade students at Marshall Elementary in the San Bernardino City Unified School District. In preparation for State testing, SOSLC came together to create 50 thoughtful care packages designed to encourage and support students during this important time. Each basket included snacks, water, fidget tools, and even a new pair of socks—small items meant to help students feel comfortable, cared for, and ready to do their best. Each kit also included a handwritten note of encouragement from loving church members offering personal support and uplifting words to each student.

The baskets were delivered directly to the school, where they were gratefully and enthusiastically received by the principal and the Director of Family and Community Engagement. While our connection to Marshall Elementary began simply because of its proximity to our church, we were reminded of God’s hand at work in the details—this is also the school where Dick and Martha Brossia’s granddaughter, Abby,

teaches. God is always working!

This outreach was a simple but powerful way to be the hands, feet and heart of Jesus in our community. We are grateful for this simple opportunity to partner with Marshall Elementary and to invest in the students and families of our neighborhood. Thank you to everyone who contributed to making this project a success!

Women of the Church News (WELCA) BY MELISSA ANDERSON

Special thoughts that were recently shared by a friend. "If your faith in human kindness has faded, let this be your reminder – it's still here. It lives quietly in the stranger who helps without being asked, in the neighbor who still waves, in the friend who shows up. Goodness hasn't disappeared. It's just softer than the noise ... still beating in ordinary hearts."

MARY BIBLE STUDY GROUP – We meet on the second Thursday of the month from 10:00 - 11:30 A.M. in the library (May 14th). The Spring 2026 Bible Study is entitled "I Am: God's holy name and promise, a three-part study by the Rev. Hannah Hawkinson. In session two we will study God's name, God's Promise in God the Protector: Gate and Shepherd (John 10). Here we build on the dimension of God's abiding love and protection. The study is from Gather Magazine and copies are duplicated for you, so you do not have to have the magazine to participate. If anyone comes across another study they would like to try, let me know as our study does not have to be from this one source. Come join us for Bible Study, fellowship, a cup of coffee and a snack. **You will be notified if the time and location are changed.**

LIGHT OF THE WORLD BIBLE STUDY GROUP – This group meets the 4th Thursday from 10:00 – 11:30 in the library (May 28th). We have not been able to meet for a while but will begin again to study The Pharisee and the Tax Collector from Luke 18:9 -14. This lesson illustrates that God favors the humble over the proud. The lesson is from the book Parables: The Greatest Story Ever Told by John White. Copies of the lesson are duplicated so you do not have to have the book to come and join us for Bible Study, fellowship, and a cup of coffee.

REBECCA QUILTING GROUP – This group meets the 1st & 3rd Thursday from 10 – 3 in the Parish Hall (May 7th & 21st). If you would like, bring something to share for lunch, though it is not required. This is an important fellowship where we make different kinds of quilts for those in need as social outreach to a local veteran's hospital in Loma Linda and raise money for Lutheran Social Services of Southern California. Even if you have never quilted before, I invite you to join us and learn something new to help others as there are many different tasks to be done to complete each quilt. Come and stay for as long as your schedule allows.

WEDNESDAY BIBLE STUDY GROUP – We meet weekly from 10:00 A.M. to 11:00 A.M. in the library and via Zoom. We are continuing our study on Revised

Common Lectionary A, which involves reading the scripture and discussing important questions. Pastor Steve sends out information in an e-mail at the beginning of each study week. If you are not already on the list, let him know so you can be included. Also, copies of the lesson are available on the day of the study. I invite you to join us for the study led by Pastor Steve. If you want to join via Zoom the Meeting ID is 854-2429-7034 and the Passcode is 487951 for the study.

Guardian Angels Needed

We have a new Confirmation Class and are calling for volunteers to be Guardian Angels. The Guardian Angel program is one of support to the young people who are participating in Confirmation Class.

We have three students: Audree McDonald, Hanna Trimbath, and Jonathan Gutierrez, that have started meeting with Pastor Steve. Becoming a Guardian Angel is a commitment until the day of Confirmation for both the students and their Guardian Angels. The identities of the Guardian Angels are kept secret from the students and are revealed on the day of Confirmation.
